## Personal Details

- Nationality : Indian
- Visa Status : Visit Visa
- Age : 24
- Place of Birth : Ooty, India

## Objective

Currently in Dubai, actively seeking a logistics opportunity where I can contribute immediately, take initiative, and help drive operational success.

## Summary

A Logistics professional who is performance-focused with nearly 1 year of experience, specializing in end-to-end logistics operations. Quick to learn and adapt in fast-paced logistics and shipping environments. Confident in picking up new systems, tools, and procedures with minimal training. Highly disciplined, reliable, and focused on meeting deadlines while following all operational and protocols to keep workflows efficient and organised. Adept at streamlining documentation processes, coordinating cross-functional teams, and ensuring operational excellence. Eager to step into an Executive role in Logistics and Shipping to deliver results and contribute growth.

## Experience

- **Dunamis Shipping and Logistics Pte Ltd (Africa - Tanzania & Ghana)** 10/2024 - 07/2025  
Management Trainee  
Responsibilities:
  - Streamlined supply chain operations, monitored export documentation, and oversaw cargo handling.
  - Managed export of 2,100+ containers of agro-based commodities, coordinating with major shipping lines (MAERSK, CMA CGM, MSC, ONE LINE, PIL) to streamline logistics and ensure on-time delivery.
  - Negotiated ocean freight rates with shipping lines, securing an average cost reduction of over 10% while enhancing service reliability and driving higher booking volumes.
  - Supervised procurement, warehousing, and transportation teams to ensure operational consistency.
  - Proactively communicated shipment progress to clients, strengthening relationships and enhancing customer satisfaction.
- **iFORTIS WORLDWIDE** 01/2022 - 02/2022  
Sales & Marketing Intern
  - Coordinated customer engagement for digital events, driving participation and maximizing opportunities to win awards.
  - Helped organise promotional events and product launches, contributing to a 15 - 17% boost in customer acquisition.
  - Created content for social media channels, promoting brand visibility and higher audience reach.

## Education

---

- **Brunel Business School** 2023  
Master of Science (Global Supply Chain Management)  
London, United Kingdom
- **Sri Krishna College of Arts and Science** 2021
