## PROFESSIONAL SUMMARY

Dedicated professional with an MBA in Logistics and Supply Chain Management and a background in Agriculture. Proven expertise in logistics coordination, inventory management, and procurement, coupled with practical knowledge of agricultural supply chains. Skilled in leveraging ERP and TMS systems to optimize transportation, improve efficiency, and reduce costs. Committed to delivering operational excellence and enhancing organizational success.

---

## EXPERIENCE

**Logistics Coordinator, World Innovative Services (Punjab)** May 2024 – Present

- Managed logistics operations for 55–65 trucks, ensuring efficient and timely deliveries across Canada and the U.S.
- Provided real-time shipment tracking and coordinated with shippers to optimize delivery schedules.
- Streamlined customs documentation processes to minimize delays and ensure regulatory compliance.
- Enhanced operational efficiency using Travel Management Systems (TMS) for optimized transportation planning.
- Oversaw 8–10 company consignments, ensuring seamless transportation and delivery.

**Agricultural Trainee, Organic Production Technology Centre (Lucknow)**

Apr 2023 – Jun 2023

- Implemented soil management practices to improve fertility and water retention, reducing erosion by 10%.
- Increased soil health using organic amendments like compost, achieving a 15% boost in fertility.

**Agricultural Trainee, Smart V Farm (Lucknow)**

Feb 2023 – Apr 2023

- Managed substrates for mushroom cultivation, resulting in a 10% increase in yield.
- Optimized incubation processes, reducing production time by 10% and contamination rates by 15%.

**Agricultural Trainee, KVK (Sitapur)**

Oct 2022 – Jan 2023

- Designed strategies to resolve farmers' issues, reducing waste by 20%.
- Introduced innovative agricultural technologies, improving productivity by 15%.

## **Operations Manager, Roshan Wholesale and Retail (Mumbai)**

Jan 2017 – Mar 2018

- Conducted vendor selection and implemented streamlined distribution processes to optimize the family business's operations.
- Analysed sales trends to identify patterns and areas for improvement.
- Developed strategic plans to capitalize on market growth opportunities.
- Enhanced operational efficiency and ensured consistent business performance.

---

---

## **RELEVANT PROJECTS**

### **Optimizing Logistics Operations (Safexpress)**

- Conducted training sessions to enhance understanding of logistics workflows and inventory management.
- Evaluated warehouse processes to identify and address operational inefficiencies.
- Introduced improvements to streamline goods receipt, storage, and dispatch procedures.
- Optimized inventory control measures to ensure seamless logistics operations.

### **Exploring Operational Excellence (Gyan Dairy)**

- Analyzed storage facilities and temperature control for product quality.
- Reviewed workforce management practices for efficiency and engagement.
