PROFESSIONAL SUMMARY:

Highly skilled logistics and supply chain management professional with over 5 years of comprehensive experience in logistics and supply chain management, including 4+ years managing transportation and distribution operations at Amazon. I specialize in optimizing supply chain efficiency, reducing costs, and ensuring timely deliveries. Expertise in logistics coordination, supply chain management, 3PL oversight, inventory control, and regulatory compliance. Proven ability to lead cross-functional teams, enhance operational processes, and drive efficiency. Seeking to leverage my extensive logistics management skills to contribute to the efficient distribution of goods in the Gulf region.

EXPERIENCE:

Transport Specialist | Amazon

Hyderabad, India | Nov 2020 – Aug 2024

- Managed logistics for a large-scale distribution network in Europe, reducing transportation costs by 15% through strategic planning and process optimization.
- Coordinated cross-functional teams to enhance dispatch operations, increasing efficiency by 20%.
- Monitored and optimized inventory levels, reducing stock shortages and eliminating overstock issues.
- Led cold chain logistics for temperature-sensitive products, ensuring compliance with regulatory and safety standards.
- Managed third-party logistics (3PL) relationships, negotiating contracts and improving service delivery.
- Implemented tracking and reporting systems for supply chain visibility, ensuring on-time, in-full delivery.

Supervisor | Fatburger

London, England | Aug 2019 – Nov 2020

- Oversaw daily logistics operations, managing vendor relationships, order fulfillment, and inventory management to ensure timely stock replenishment.
- Led a team of logistics coordinators, improving team performance and operational efficiency.
- Monitored inbound and outbound shipments, ensuring compliance with health, safety, and regulatory requirements.

- Improved warehouse management processes, optimizing space utilization and minimizing delays.
- Supported budgeting initiatives, resulting in improved cost control and profit margins. Supported budgeting and cost control initiatives, helping improve profit margins.
