EXPERIENCE

Apr 2023 – Feb 2025

SR. OPERATION EXECUTIVE

AZIMAR SHIPPING LLC -DUBAI, UAE

- Manage and handling daily air and sea shipments, utilizing Dubai Trade and Calogi Online Process for updating and recording shipment details for operational and accounting purposes.
- Handle and coordinate import/export custom clearance, ensuring smooth processing and compliance with regulations in Air and Sea Exp & Imp
- Arrange and issue Delivery Orders (DO) and Cargo Arrival Notices (CAN) to customers and third parties, ensuring timely communication and documentation.
- Arrange cargo bookings with carriers, NVOCC, and co-loaders for container placement, optimizing stuffing and utilization of consolidation containers.
- Expertise in handling LCL (Less than Container Load) console and co-load shipments from various regions including India, Europe, and the US.
- Prepare essential shipping documents such as master and house Bill of Lading (BL), coordinating with overseas agents and customers for shipment related documents and amendments.
- Record and maintain buy and sell rates in the system, updating provision costs for each shipment, and issuing debit and credit notes to customers for cargo delivery and DO issuance.
- Lead and coordinate operational handling of LCL transshipments and consolidation at LCL Gateway, liaising with NVOCC consolidators, CFS, regional procurement/shipping lines, trucking companies, and inter-company subsidiaries.
- Plan container usage based on shipment volume, deciding between own console and co-load options to optimize efficiency and cost.
- Perform profit and loss analysis, profit share calculation, and invoicing, providing LCL tariffs for transshipment and ensuring accurate financial records.
- Complete dangerous goods declarations, pre-plan and assign them into each container, ensuring compliance with safety regulations.
- Ensure smooth operational handling of shipments, maintaining systematic processes and effective communication with all stakeholders involved in the logistics chain.
- Addressing customer complaints promptly and implementing corrective action plans as a top priority.
- Collaborating with the accounts department to finalize job closures and document total incurred costs.
- Generating freight invoices and ensuring timely payment follow-ups.
- Identifying team issues comprehensively and delivering ongoing support to all members in alignment with operational norms.
