### ABOUT ME

**Detail-oriented Logistics and Accounting Professional** with over 2 years of experience in supply chain management, financial reporting, and cost optimization. Proven expertise in inventory control, transportation planning, and accounting functions, ensuring efficient operations and financial accuracy. Adept at budgeting, reconciliation, ERP systems, and process improvements to drive efficiency and cost savings. Strong problem-solving skills and a track record of reducing operational costs while maintaining compliance with regulatory and safety standards. Experienced in risk assessment, workplace safety protocols, and ensuring adherence to health and safety regulations in logistics operations. Seeking to leverage logistics, accounting, and safety expertise in a dynamic organization.
