ABOUT ME

I am a dedicated and results-driven Logistics officer with a proven track record in supply chain management, transportation coordination, and inventory control. With 7 years of experience in logistics operations, I specialize in streamlining processes, improving efficiency, and ensuring the timely and cost-effective delivery of goods and services. My expertise includes fleet management, warehouse operations, and implementing logistics strategies that align with organizational goals. I have a strong understanding of logistics software (such as Oracle or WMS platforms) and excel in high-pressure environments that require fast, strategic decision-making.

I pride myself on my strong organizational skills, attention to detail, and ability to lead and motivate cross-functional teams. Whether managing complex supply chains or optimizing delivery routes, I remain committed to operational excellence, customer satisfaction, and continuous improvement.
