👤 PROFILE

I am a highly motivated and enthusiastic senior shipping executive with a robust foundation in mechanical engineering. Leveraging a bachelor's degree in mechanical engineering, I exhibit exceptional leadership skills and a keen eye for detail, ensuring the seamless implementation of every project step. I am always eager to learn new technologies and methodologies, demonstrating a strong commitment to staying ahead in the ever-evolving shipping industry. Additionally, I constantly seek to innovate and improve existing technologies, bringing fresh ideas and solutions to enhance operational effectiveness.
