CAREER OBJECTIVE:

Aspiring logistics and supply chain professional with hands-on internship experience at a global logistics firm. Seeking to leverage strong documentation, Compliance, and process optimization skill in a dynamic logistics freight forwarding role.

PROFESSIONAL EXPERIENCE

DSV GLOBAL TRANSPORT AND LOGISTICS (UAE)

Logistics Intern | May – July 2024

- Facilitated import and export processes by preparing Air Waybills (AWB), determining chargeable weight (actual vs. volumetric), and managing Delivery Orders (DO) in air freight operations
- Analyzed sea freight procedures, including Bill of Lading (B/L), Sea Waybill preparation, and container handling workflows.
- Ensured customs compliance by reviewing regulatory documentation such as Bill of Entry (BOE), B/L, AWB, Sea Waybill, and required certificates for multimodal freight.
- Optimized inbound and outbound logistics through effective use of the Warehouse Management System (WMS) in warehousing operations.
- Supported event logistics by evaluating documentation and processes for fairs and exhibitions.
- Coordinated cross-border and domestic transport operations, ensuring adherence to documentation requirements in road freight logistics.
- Contributed to QHSE initiatives by assessing warehouse tools, improving efficiency, and supporting sustainability and Standard Operating Procedure (SOP) enhancements.
- Conducted evaluation and analysis of air and sea commercial operations, including sales workflows, pricing strategies, and management of RFQs/RFPs, ensuring alignment with company SOPs.
- Gained in-depth understanding of Customer Service & Relations (CSR) operations, including customer requirement handling, communication workflows, and client satisfaction processes.
