PROFESSIONAL SUMMARY

A results-driven professional with expertise in logistics, shipping documentation, customer relationship management, and international shipping regulations. Skilled in generating Bills of Lading, cargo rate assessment, process optimization, and compliance management. Proven ability to drive business growth, enhance operational efficiency, and deliver high-quality service. Strong focus on client relationship building, contract negotiation, and shipping documentation accuracy. Adept at identifying business opportunities and streamlining workflows to achieve organizational objectives.

WORK EXPERIENCE

- EXECUTIVE (2021-2024)
- MEDITERRANEAN SHIPPING COMPANY (MSC)
- Managed customer requests and inquiries, providing timely and accurate responses.
 - Generated Bills of Lading (B/L) for international container shipments in compliance with regulations.
 - Assessed cargo rates by evaluating container specifications, weight, distance, and other variables.
 - Handled shipping documentation, including customs forms, invoices, and certificates.
 - Ensured all shipments adhered to national and international shipping protocols and regulations.
 - Facilitated the smooth coordination of shipments with cross-functional teams (logistics, finance, customs).
 - Contributed to process optimization, improving the efficiency of shipping operations and documentation management.
 - Identified new business opportunities, negotiated contracts, and expanded client relationships.
 - Monitored port fees, customs tariffs, and other related charges to ensure cost-effective shipping solutions.
 - Provided exceptional customer service by addressing issues and resolving discrepancies related to shipments and billing.
