Professional Summary

Recent B.Com graduate with 2 years of experience in documentation execution and 6 months in warehouse operations, currently pursuing an MBA in Logistics and Supply Chain Management from DY Patil College. Deeply passionate about logistics, particularly in the Import-Export sector, I am driven by a commitment to mastering the complexities of supply chain management. With a solid foundation in both practical execution and academic knowledge, I am eager to contribute my enthusiasm and skills to a forward-thinking logistics team.

Skills and Proficiencies

- **Export Documentation and Compliance:**
Proficient in managing comprehensive export documentation processes, including
- **Checklist preparation, E-sanchit, and Shipping Bill filing** to ensure seamless export clearance.
- **Bill of Lading preparation** to facilitate the legal transfer of goods across borders.
- **Phytosanitary Certification:** Experienced in Phytosanitary registration and payments for the export of plant and plant-related products, ensuring compliance with international agricultural standards.
- **Warehouse and Shipment Handling:**
Expertise in overseeing warehouse operations, including the careful loading and unloading of goods and the dispatch of products. Ensures that shipments are handled efficiently and in line with safety protocols.
- **Operational Management:** Adept at coordinating logistics and operations to ensure timely delivery and maintain the integrity of goods throughout the export process.

Strengths

- Attention to Detail:
 - Strong ability to meticulously manage and verify export documentation, ensuring compliance with all regulatory requirements and minimizing errors in the shipping process.
- Problem-Solving Skills:
 - Effective at identifying potential logistical challenges and implementing proactive solutions to maintain the smooth flow of goods.
- Time Management:
 - Skilled in managing multiple tasks within tight deadlines, ensuring that all shipments are processed and dispatched on time.
- Communication and Coordination:
 - Strong interpersonal skills for coordinating with cross-functional teams, suppliers, and regulatory bodies to facilitate efficient logistics operations.
- Adaptability:
 - Ability to quickly adapt to changes in regulatory requirements or operational conditions, ensuring continuity in the logistics process.
