

OPERATIONS & PROCUREMENT SPECIALIST

Anandakrishnan Vijayan

OBJECTIVE

Strategic Operations & Procurement Specialist with an MSc in Supply Chain Management. Skilled in optimizing supply chain processes, reducing costs, and leveraging advanced tools for demand forecasting and inventory control. Proven success in driving operational improvements, enhancing vendor relationships, and championing sustainability initiatives.

EXPERIENCE

OPERATIONS & PROCUREMENT SPECIALIST

Star Amusements | Essex, UK | 2023 – 2024

Improved on-time deliveries by streamlining workflows and reducing manual errors. Negotiated cost-effective vendor contracts, ensuring compliance and risk mitigation. Enhanced inventory accuracy and reduced excess stock through strategic controls. Reduced lead times and optimized logistics, boosting customer satisfaction.

OPERATIONS COORDINATOR

Star Amusements | Essex, UK | 2023

Streamlined supply chain coordination with advanced reporting and analysis tools. Enhanced stakeholder communication, raising customer satisfaction ratings. Strengthened quality control processes to reduce compliance issues.

STUDENT AMBASSADOR

Anglia Ruskin University | UK | 2023 – 2024

Elected Student Representative for MSc program among 400 peers. Led promotional campaigns, growing social media presence and outreach.

BUSINESS DEVELOPMENT OFFICER

Santa Monica Study Abroad | India | 2021 – 2022

Spearheaded market research, refining sales strategies and boosting client acquisition. Increased product promotion effectiveness, driving new client contracts.
