## PROFESSIONAL SUMMARY

Dynamic professional with over 3 years of comprehensive experience in inventory control, supply chain coordination, warehouse operations, and transportation management. Demonstrated ability to oversee end-to-end logistics processes in high-volume environments while maintaining accuracy, efficiency, and cost-effectiveness. Adept at utilizing SAP ERP systems for real-time stock monitoring, inventory reconciliation, and order processing, ensuring seamless flow of materials and on-time delivery. Seeking a challenging opportunity in a dynamic logistics or supply chain environment where I can leverage my operational expertise and analytical abilities to streamline processes, enhance service levels, and contribute to the company's long-term growth and customer satisfaction.
