## **OBJECTIVE**

I'm looking for full-time work in the exports and imports and logistics industry.

## **PERSONAL STATEMENT**

I am a dedicated and organized cargo operation executive with a strong understanding of inventory control and cargo operations. I have experience in maintaining stock levels, verifying deliveries, and ensuring proper storage and labeling of goods. With excellent attention to detail, I efficiently manage documentation and support smooth supply chain processes. I am committed to maintaining cleanliness, safety, and accuracy in all store activities. I aim to contribute to a reliable and efficient inventory system within a professional and growth-oriented organization.
