I am a certified professional in Logistics and Supply Chain Excellence with a strong track record of successfully applying my knowledge and skills to real-world challenges. Passionate about logistics, I am eager to contribute to a dynamic organization where I can support operational growth and efficiency. With a solid academic foundation and practical experience, I am committed to continuous improvement and professional development, always striving to enhance my expertise and deliver measurable results. I am seeking a rewarding opportunity in a reputed firm where I can make a meaningful impact and further my career in the logistics and supply chain field.
