## CARRIER OBJECTIVE

---

Motivated MBA graduate in Logistics & Shipping, seeking an entry-level opportunity in supply chain and logistics operations where I can apply my skills in procurement, inventory control, freight forwarding, and data analysis to improve operational efficiency and reduce costs. Passionate about optimizing logistics systems and ensuring smooth end-to-end operations.

## PROFESSIONAL EXPERIENCE

---

05/2024 – 06/2024

Cochin, India

### **Intern – Synergy Oceanic Service Pvt Ltd**

- Assisted the procurement team in vendor selection and purchase planning, ensuring cost-effective sourcing.
- Coordinated manning and sourcing operations, contributing to timely material delivery.
- Maintained comprehensive documentation for procurement, logistics workflows, and crew coordination.
- Participated in QHSE (Quality, Health, Safety, Environment) compliance activities and supported safety protocol implementation.

2020 – 2021

Thrissur, India

### **Accounting Assistant – Grand Mart Supermarkets**

- Conducted stock audits and performed inventory reconciliation to ensure data accuracy and identify discrepancies.
- Managed data entry of financial transactions, including accounts payable, receivable, and general ledger maintenance.
- Generated financial reports and performance analysis for senior management to support decision-making.
