## PROFILE

Experienced and skilled forklift operator with over a year of proven expertise in operating heavy machinery. Seeking a forklift operator position at Marvellous training centre and Xinwhasha Company Limited where I can leverage my extensive experience and contribute to the success of warehouse inventory.

## SKILLS

- Extensive experience as a forklift operator with a year of service.
- Strong communication and interpersonal skills.
- Strong understanding of equipment operation maintenance and safety protocols.
- Excellent hand-eye coordination and spatial awareness.
- Ability to work effectively in a team environment and independently.
- Commitment to safety and adherence to all relevant regulation and protocols.

## EDUCATIONAL BACKGROUND

Gloryland Preparatory School	BECE	2013 - 2016
------------------------------	------	-------------

Ken Hammer Senior High School	WASSCE	2018 - 2021
-------------------------------	--------	-------------

## WORK EXPERIENCE

Infix Wood Company                          As a Forklift Operator                          2023 – 2024

- Operated Forklift to move, stack and organize materials in warehouses and industrial facilities.
- Loaded and unloaded trucks and containers with accuracy and efficiency.
- Conducted routine inspections and maintenance on Forklift to ensure safe and reliable operation.
- Worked closely with warehouse and logistics teams to prioritize tasks and fulfil material handling requirement.
- Adhered to safety regulations and procedures to prevent accidents and ensure workplace safety.
