### Professional Summary

---

Logistics & Warehouse Coordinator with 2 year's experience in FMCG and e-commerce operations, specializing in outbound logistics, inventory control, dispatch coordinator, and middle mile and last mile delivery. Skilled in SAP and MS Excel, with proven ability to manage high volume warehouse operations and ensure timely deliveries. Strong understanding of UAE practices and available for immediate joining.

### Work Experience

---

#### Outbound Supervisor

Reliance Retail - Chennai, India

May 2024 – May 2025

- Supervised outbound logistics including picking, staging, packing, and dispatch of FMCG products.
- Coordinated with transportation team to ensure on-time deliveries.
- Generated delivery orders, packing list, and dispatch documents using SAP.
- Monitored inventory levels, stock rotation, and dispatch status through SAP reports.
- Led and trained warehouse team to achieve daily dispatch targets and maintain high accuracy.

#### Picking & Packing

Zepto - Chennai, India

June 2023 – April 2024

- Accurately picked and packed orders using handheld scanners.
- Applied FIFO methods to minimize wastage and manage shelf life.
- Implemented double-checking procedure to reduce packing errors.
- Conducted quality checks on SKUs, expiry date, and product accuracy.
- Trained and supervised 8+ new team members, reducing on boarding time by 30%.
