Abu Shagara Sharjah United Arab Emirates

OBJECTIVE

Dynamic logistics professional with 10+ years of comprehensive experience in shipping, logistics coordinator, supply chain management, and customer service. Proven ability to manage end-to-end logistics operations, including import/export, customs clearance, transportation, and warehouse coordination. Seeking to leverage my expertise in a collaborative environment that values teamwork and hard work, driving operational efficiency and organizational success.

WORK EXPERIENCE

Aug 2018 – Jul 2025

Pro Global Logistics LLC, Dubai

Assistant Manager – Logistics & Operations

Dec 2016 – Jun 2018

Mass Allied Freighters, Dubai

Logistics, Transport & Warehouse Coordinator

Oct 2014 – Nov 2016

Unique Sea Cargo Services LLC, Dubai

Logistics & Customs Operations Executive

RESPONSIBILITIES:

- Prepare documents to obtain the final exit stamp for both air and sea shipments.
- Submit exit claims along with supporting documents for SG/NR.
- Arrange submission of original documents to Dubai Customs within the stipulated timeframe.
- Freight & Logistics Coordination: Oversee sea freight operations (FCL, LCL, breakbulk).
- Regulatory Compliance & Documentation: Stay updated on import/export regulations; handle MOFAIC attestation and VAT inspections.
- Dangerous Goods & Perishable Handling: Ensure dangerous goods and perishable shipments comply with temperature control, packaging standards, and hazardous material regulations.
- ERP & Accounting Software Expertise: Utilize Jupiter Accounting Software for accurate shipment tracking.
- Regulatory Compliance & Approvals: Ensure all required Ministry and FTA approvals and certifications are obtained.
- Excise Tax & Permitting: Manage excise tax cargo approvals and obtain necessary permits from the FTA website.
- Import & Re-Export Documentation: Prepare DA, INV, and PKG documentation using Excel, leveraging Mother BOE stock for accurate record-keeping.
- Logistics & Supply Chain Management: Lead logistics and warehouse operations, managing inbound and outbound shipments.
