SUMMARY

Completed a 6-month Trainee at Cubes International Logistics, Ernakulam, gaining hands-on experience in shipping bookings (air and sea freight), logistics documentation, freight operations, and customs clearance. Developed practical skills in cargo handling, shipment tracking, client coordination, and compliance with import/export regulations, preparing for a professional career in logistics and supply chain management.

WORK EXPERIENCE

Documentation executive

Cubes international logistics | SEPTEMBER 2024 - FEBRUARY 2025

Gained practical exposure to freight forwarding and cargo management. My responsibilities included handling shipping bookings for air and sea freight, preparing and verifying key documents such as Invoices, Bill of Lading, Air Waybills, and Packing Lists, and assisting in customs clearance procedures to ensure compliance with import/export regulations. I supported daily freight operations by coordinating with clients, shipping agents, and warehouse teams to ensure smooth cargo handling, shipment tracking, and timely deliveries.
